

## PRWC COVID-19 SAFETY GUIDELINES

The PRWC board is following the state, CDC & hotel guidelines regarding gathering and is requesting that anyone attending our meetings in person would follow the safety guidelines as well.

For the time being, the McCormick is limiting our numbers to 35 attendees, not counting various speakers who are not staying for the whole time. We may have up to 6-7 people per table, depending on the current covid numbers.

It is up to you as an individual with personal responsibility to decide as to whether or not you want to attend and PRWC holds no accountability if anyone becomes ill with Covid-19, should they attend our meeting. Wearing masks is encouraged by the CDC. The McCormick requires them upon entry into the lobby, however, we do not have a mask mandate to attend at this time. Assess your own situation and be respectful of others.

Please READ & follow:

- Do not come out if you are ill
- Wear a mask when in large groups.
- If you have health issues or in a high-risk group please take extra precautions when in groups.
- Wash hands frequently for 20 seconds
- Avoid touching surfaces.
- Use hand sanitizer often
- Cough into a tissue or your elbow, not your hand.
- Keep up to date on all information regarding the risks of Covid-19 and going out in public

Thank you for abiding by these guidelines. We hope that everyone is well and safe. The PRWC Board
